# CableLabs Community Code of Conduct

## 1. Purpose and Scope

Cable Television Laboratories, Inc. ("**CableLabs**") is committed to providing a safe, professional, inclusive, and respectful environment for all individuals participating in any event or service offered by CableLabs. Such events and services (collectively, "**Services**") include, without limitation: (i) CableLabs internet properties including, without limitation, cablelabs.com, mobile websites, microsites, mobile applications, CableLabs profiles on social media sites and any other digital services or properties operated, used or released by CableLabs from time to time; and (ii) any other services or events offered by CableLabs including, without limitation, working groups, standards programs and CableLabs® Tech Summit. This CableLabs Community Code of Conduct ("**Code**") applies to all individuals participating in such Services in person or remotely, whether in the capacity of attendees, customers, members, exhibitors, sponsors, speakers, vendors, contractors or other participants (collectively, "**Participants**").

## 2. Expected Conduct

All Participants are expected to behave in a professional and respectful manner at all times. Participants shall:

- Comply with all applicable laws and regulations and the rules of any applicable venue or service provider;
- Follow all reasonable instructions issued by CableLabs, event staff, venue personnel and moderators;
- Treat all other individuals with courtesy, dignity, and respect; and
- Refrain from conduct that disrupts or interferes with the Services or the participation of others.

## 3. Prohibited Conduct

CableLabs prohibits any conduct that it determines, in its sole discretion, to be inappropriate, unsafe, disruptive, or inconsistent with the purpose of the Services. Prohibited conduct includes, without limitation:

- Harassment, intimidation, discrimination, or abusive behavior of any kind, whether verbal, physical, or visual;
- Unwelcome sexual attention, including inappropriate touching, advances, or comments;
- Threatening, stalking, or harassing behavior toward any person;
- Disruptive behavior, including sustained interruption of sessions or activities;
- Possession or use of illegal substances or excessive intoxication that impairs participation or creates a disturbance;
- Any conduct that endangers the health, safety, or security of any person;
- Any other conduct that CableLabs reasonably determines to be inappropriate or detrimental to the provision or use of the Services.

**4. Health, Safety, and Security Compliance**
Participants must comply with all health, safety, and security measures implemented by CableLabs and any applicable venue or service provider, including but not limited to access control procedures, credential requirements, emergency protocols, and any applicable public health guidelines. CableLabs reserves the right to modify such measures at any time.

**5. Reporting Violations**
Participants are encouraged to report any violations of this Code to CableLabs personnel or other designated event personnel or moderators. Reports may be made in person or through any reporting channel designated by CableLabs. CableLabs will exercise its sole discretion to review reports and take appropriate action.

**6. Enforcement and Remedies**
CableLabs reserves the right, in its sole discretion and without liability, to take any action it deems appropriate in response to a violation of this Code, including but not limited to:

- Issuing a warning;
- Removing or excluding a Participant from Services without refund;
- Revoking credentials or access to Services;
- Prohibiting future participation in Services;
- Notifying appropriate authorities where warranted.

CableLabs's decisions regarding enforcement shall be final.

**7. No Duty to Act**
While CableLabs may take action in response to violations of this Code, CableLabs assumes no obligation or duty to monitor or enforce compliance and disclaims liability for the actions of third-party Participants.

**8. Acknowledgment**
By registering for or participating in the Services, Participants agree to comply with this Code.
